

# Directions to Luck from Twin Cities or Minneapolis-St. Paul Airport

When leaving the airport look for 494 East. Continue on 494 until you get to I-35E. Take I-35E which turns into I-35 North to Forest Lake, the exit is marked Taylor's Falls Highway 8. You will pass through Chisago City, Lindstrom and then Center City. Continue to Taylor's Falls. Immediately before the bridge across the St. Croix River is the Minnesota side of Interstate Park, if you have time it is worthwhile walking on the pothole trail in the Park. Parking is \$5.00. Great ice cream shop on main street just North of the Park. After crossing the river, continue on Highway 8 for about 4 miles and take Highway 35 North to Luck.

A more scenic but slower route to Luck is to continue on 494 from the airport, cross I-94 which is now 694. Continue on 694 and take the Highway 36 exit East to Stillwater. Stillwater is a lovely old town and worth spending some time visiting. To get to Luck cross the lift bridge in Stillwater on Highway 64 and then take Highway 35 North. Or, take Highway 95 North out of Stillwater to Highway 8.
